| Sommario/riassunto      | <P>International criminal justice is in transition. This book explores<br>the growing internationalisation of criminal justice as a phenomenon of<br>global governance. It provides students with a critical understanding of<br>the international institutions for regulating transnational crime, the   |

development of alternative justice processes across the globe, and international and supra-national co-operation criminal justice policies and practices. Key topics covered include:

The historical development of International Criminal Justice institutions and traditions

International Restorative Ju
