Sommario/riassunto	Using the framework of genocide, this volume analyzes the patterns of persecution of the Roma in Nazi-dominated Europe. Detailed case

1.

studies of France, Austria, Romania, Croatia, Ukraine, and Russia
generate a critical mass of evidence that indicates criminal intent on
the part of the Nazi regime to destroy the Roma as a distinct group.
Other chapters examine the failure of the West German State to deliver
justice, the Romani collective memory of the genocide, and the current
political and historical debates. As this revealing volume shows,
 however inconsistent or geographically limited, ove
