Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliography: p. [228]-231.
Sommario/riassunto	Relevant and thought-provoking, describes a new and imaginative approach to the needs of de-institutionalised people returning to care in the community. It shows that there is a challenging but dynamic contribution to be made by all community mental health workers in restoring dignity to the lives of those who have tragically been robbed of such a basic human need.
