Thatcher 1981 - 9; Changes and re-adjustments 1990 - 5; Concluding observations; Notes; Bibliography; Index

Sommario/riassunto

The relationship between Britain and America has been the most important bilateral relationship the world has ever seen. Dobson's concise and readable book covers the whole of this century and employs selected historical detail to expose the special relationship in its true light and in all its complexity. Dobson rejects that claim that the US was ever hegemonical. Its relationship with Britain - over the Suez Crisis and Iran in the 1960's and Grenada in 1983 - clearly demonstrates that it had to bargain and did not always get its way. However, the two nations co-operated in every major crisis
