Race and the Ringtone's Revival in (Un-)Popular Music; Epilogue; Notes; Index A decade ago, the customisable ringtone was ubiquitous. Almost any Sommario/riassunto crowd of cell phone owners could produce a carillon of tinkly, beeping, synthy, musicalised ringer signals. Ringtones quickly became a multibillion-dollar global industry and almost as quickly faded away. This

effect on cultural production.

book charts the rise and fall of the ringtone economy and assesses its
