Sommario/riassunto	This volume synthesizes and critically analyzes the literature on response to the writing of second language students, and discusses the implications of the research for teaching practice in the areas of written and oral teacher commentary on student writing, error correction, and

facilitation of peer response. The book features numerous examples of student texts and teacher commentary, as well as figures and appendices that summarize research findings and present sample lessons and other teaching materials. It is thus simultaneously comprehensive in its approach to the existing resea
