Sommario/riassunto	This book takes the reader inside the charter school movement, answering such questions as: *What is a charter school? *How are charter schools different from other public schools? *What does it take to create a charter school? *What motivates the people who initiate

such schools? *What lessons can be learned from the experiences of those who have founded charter schools? *What does the growth of the charter school movement mean for society at large? Using detailed case studies of seven schools in three states, this book explores the challenges faced by the founders of these schools an
