Media Opening and Civil Society in Mexico -- 8. Media Opening, Scandal, and Regime Delegation -- 9. Media Opening, Campaigns, and Elections -- 10. Conclusions -- Appendix: Data for Figures and Tables -- Notes -- Bibliography -- Index
Sommario/riassunto	Based on an in-depth examination of Mexico's print and broadcast media over the last twenty-five years, this book is the most richly detailed account available of the role of the media in democratization, demonstrating the reciprocal relationship between changes in the press and changes in the political system. In addition to illuminating the nature of political change in Mexico, this accessibly written study also has broad implications for understanding the role of the mass media in democratization around the world.
