	Sommario/riassunto	This second edition of Irving Weiner's classic comprehensive, clinician-friendly guide to utilizing the Rorschach for personality description has been revised to reflect both recent modifications in the Rorschach Comprehensive System and new evidence concerning the soundness and utility of Rorschach assessment. It integrates the basic ingredients of structural, thematic, behavioral, and sequence analysis strategies

into systematic guidelines for describing personality functioning. It is divided into three parts.   Part I concerns basic considerations in Rorschach testing and deals with
