Collana	A Hawksmere Report
Disciplina	368.56
Soggetti	Liability insurance Property insurance
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di contenuto	The author; Contents; Introduction; Chapter 1: Liability - its forms; Chapter 2: Liability and the law - part one; Chapter 3: Liability and the law - part two; Chapter 4: Public liability cover; Chapter 5: PL policy wordings; Chapter 6: Products liability; Chapter 7: Professional negligence and professional indemnity; Chapter 8: Claims - part one; Chapter 9: Claims - part two; Chapter 10: Special risks - litigation; Chapter 11: Alternative dispute resolution - damages; Chapter 12: Spreading the risk - estimating and reserving; Chapter 13: Future developments; Appendices Public Liability Policy - 1Public Liability Indemnity Policy - 2; List of Cases; Table of Statutes; Index
Sommario/riassunto	We are all far more litigious and conscious of our rights than we were. The courts are interpreting negligence far more widely. Claims have soared - and so have awards. The consequences for individuals and businesses, especially small businesses, can be dire. Fred Collins, an acknowledged expert in the field, provides detailed guidance and technical advice on how to mitigate the risks facing you and how to insure against them effectively and cost-effectively.

Sommario/riassunto	Failure of Empire is the first comprehensive biography of the Roman emperor Valens and his troubled reign (a.d. 364-78). Valens will always be remembered for his spectacular defeat and death at the hands of the Goths in the Battle of Adrianople. This singular misfortune won him a front-row seat among history's great losers. By the time he was killed, his empire had been coming unglued for several years: the Goths had overrun the Balkans; Persians, Isaurians, and Saracens were threatening the east; the economy was in disarray; and pagans and Christians alike had been exiled, tortured, and executed in his religious

persecutions. Valens had not, however, entirely failed in his job as emperor. He was an admirable administrator, a committed defender of the frontiers, and a ruler who showed remarkable sympathy for the needs of his subjects. In lively style and rich detail, Lenski incorporates a broad range of new material, from archaeology to Gothic and Armenian sources, in a study that illuminates the social, cultural, religious, economic, administrative, and military complexities of Valens's realm. *Failure of Empire* offers a nuanced reconsideration of Valens the man and shows both how he applied his strengths to meet the expectations of his world and how he ultimately failed in his efforts to match limited capacities to limitless demands.
