Sommario/riassunto	Many child-care professionals work therapeutically with both parent and child and are increasingly focusing on the role of parents, yet there is very little information and guidance to help professionals in this work. Saralea E. Chazan's introduction to the simultaneous treatment of parent and child brings together theoretical background and suggestions for practice in an accessible and comprehensive format. Taking the reader through the theory of simultaneous treatment and the psychological processes underlying it she draws on three in-depth

case studies of children she has worked with. She s
