Descrizione fisica	1 online resource (124 p.)
Disciplina	616.85/845
Soggetti	Arson - Psychological aspects Arson prevention
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 105) and indexes.
Nota di contenuto	Book Cover; Title; Copyright; CONTENTS
Sommario/riassunto	In recent years, fire-raising has become an increasing problem in Britain and elsewhere, and now involves many professionals in the investigation and management of those who set fires. The motives of fire-raisers are complex and their behaviour is hard to change. Herschel Prins sets the problem in an historical and anthropological context, examines the size of the problem, its investigation and motivation, in a way which will enable more effective management.
