| Nota di contenuto       | Introduction: facts and fictions -- The years of romance -- The scalacronica of Sir Thomas Gray of Heton -- Defending Arthur -- History curiously dytit -- Adventures in history -- Making history: John Hardyng's metrical chronicle -- Fifteenth-century scribes -- Conclusion: reading about Arthur.   |
| Sommario/riassunto      | "Although most modern scholars doubt the historicity of King Arthur, parts of the legend were accepted as fact throughout the Middle Ages. Medieval accounts of the historical Arthur, however, present a very different king from the romances that are widely studied today. Richard Moll examines a wide variety of historical texts to explore the relationship between the Arthurian chronicles and the romances. He demonstrates how competing and conflicting traditions interacted with one another, and how writers and readers of Arthurian texts negotiated a complex textual tradition."--Jacket. |
