Nota di contenuto	Introduction: Italian Colonial Cultures; part one: The Shaping of Italian Colonial History; part two: Colonial Literature: From Exploration to a Domestic Empire; part three: The Colonial Production of Africa and the Silent Scene of Decolonization; NOTES ON CONTRIBUTORS; INDEX
Sommario/riassunto	Given the centrality of Africa to Italy's national identity, a thorough study of Italian colonial history and culture has been long overdue. Two important developments, the growth of postcolonial studies and the controversy surrounding immigration from Africa to the Italian peninsula, have made it clear that the discussion of Italy's colonial past is essential to any understanding of the history and construction of the nation.
