Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Subtitle on t.p. comes from a sticker.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Front matter -- Contents -- Introduction -- Chapter 1. The Effect of Linguistic Distance, L2 Status and Age on Cross-linguistic Influence in Third Language Acquisition -- Chapter 2. Roles of L1 and L2 in L3 Production and Acquisition -- Chapter 3. Interlanguage Transfer and Competing Linguistic Systems in the Multilingual Mind -- Chapter 4. Lexical Transfer in L3 Production -- Chapter 5. Activation or Inhibition? The Interaction of L1, L2 and L3 on the Language Mode Continuum -- Chapter 6. Lexical Retrieval in a Third Language: Evidence from Errors and Tip-of-the-Tongue States -- Chapter 7. Plurilingual Lexical Organisation: Evidence from Lexical Processing in L1–L2–L3–L4 Translation -- Chapter 8. Learners of German as an L3 and their Production of German Prepositional Verbs -- Chapter 9. Too Close for Comfort? Sociolinguistic Transfer from Japanese into Korean as an L>_3 -- Chapter 10. New Uses for Old Language: Cross-linguistic and Cross-gestural Influence in the Narratives of Non-Native Speakers --

Index

Sommario/riassunto

Third language acquisition is a common phenomenon, which presents some specific characteristics as compared to second language acquisition. This volume adopts a psycholinguistic approach in the study of cross-linguistic influence in third language acquisition and focuses on the role of previously acquired languages and the conditions that determine their influence.
