Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 223-232) and index.
Nota di contenuto	Introduction : why turn to psychoanalysis for a social theory of oppression? -- Alienation as the perverse privilege of the modern subject -- Alienation's double as the burden of the othered subject -- Colonial abjection and transmission of affect -- Humanism beyond the economy of property -- Fluidity of power -- The affects of oppression -- The depressed sex -- Sublimation and idealization -- Revolt and singularity -- Forgiveness and subjectivity -- Conclusion : ethics of psychoanalysis; or, forgiveness as an alternative to alienation.
Sommario/riassunto	Eloquently arguing that we cannot explain the development of individuality or subjectivity apart from its social context, Kelly Oliver makes a powerful case for recognizing the social aspects of alienation and the psychic aspects of oppression. Oliver explores the ways in which the alienation unique to oppression leads to depression or violence; and how these affects can be transformed into agency, individuality, solidarity, and community.
