Nota di contenuto	Chapter 1. First settlers -- Chapter 2. Campbelltown -- Chapter 3. Paradise -- Chapter 4. Athelstone -- Chapter 5. A horticultural heritage -- Appendix I. Aerial photographs -- Appendix II. Artwork.
Sommario/riassunto	The Kaurna people lived peacefully and productively along the River Torrens, or Karrawirra Parri, for millennia. This book describes their way of life and their displacement by the first generation of European settlers. The outstanding achievement of the settlers on the upper Torrens was the contribution they made to the development of horticulture. They transitioned from grains and livestock to producing huge quantities of melons and an impressive diversity of fruits, vines and vegetables. Roger Irvine details the live of these settler families, including notables such as Charles Campbell who gave his name to 'Campbell Town', Joseph Ind whose property 'Little Paradise' provided a name for another suburb, and A.J. Murray who chose 'Athelstone' as the name of his farm, for reasons now difficult to trace. The inhabitants of the upper Torrens have witnessed many changes, including both setbacks and successes. Colonial Settlers on the River Torrens reflects on an area that has had many incarnations, and the river that continues

to flow through it.

3. Record Nr.	UNINA9910780504803321

Nota di contenuto	An indirect Italian angle on a few big historical questions -- Franchini's disillusionment : rereading the Intervista su Croce from abroad -- The revolt against Croce in post-Second World War Italian culture -- Croce in America : influence, misunderstanding, and neglect (with a supplement on the fortunes of Giovanni Gentile in the United States and Canada) -- Historicism, liberalism, fascism : rethinking the Croce-Gentile schism -- Maggi's Croce, Sasso's Gentile, and the riddles of twentieth-century Italian intellectual history -- How not to think about fascism and ideology, intellectual antecedents and historical meaning -- Croce, Crocean historicism, and contemporary history after fascism -- Crocean historicism and post-totalitarian thought -- What is living and what is dead? Ginzburg's microhistory, Croce's historicism, and the search for a postmodern historiography -- The stakes of misreading :

Sommario/riassunto

"During the early decades of the twentieth century, Italy produced distinctive innovations in both the intellectual and political realms. On the one hand, Benedetto Croce (1866-1952) and Giovanni Gentile (1875-1944) spearheaded a radical rethinking of historicism and philosophical idealism that significantly reoriented Italian culture. On the other hand, the period witnessed the first rumblings of fascism. Assuming opposite sides, Gentile became the semi-official philosopher of fascism while Croce argued for a renewed liberalism based on 'absolute' historicism." "In *Historicism and Fascism in Modern Italy*, David D. Roberts uses the ideological conflict between Croce and Gentile as a basis for a wider discussion of the interplay between politics and ideas in Italy in the twentieth century. Roberts examines the connection between fascism and the modern Italian intellectual tradition, arguing that the relationship not only deepens our understanding of generic fascism and liberalism but also illuminates ongoing dangers and possibilities in the wider Western world. This set of twelve essays by one of the leading scholars in the field represents an authoritative view of the modern Italian intellectual tradition, its relationship with fascism, and its enduring implications for history, politics, and culture in Italy and beyond."--Jacket
