"Getting to a Better Place": Qwi:qwelstom, the Sto:lo, and Self-Determination An Apology Feast in Hazelton: Indian Residential Schools, Reconciliation, and Making Space for Indigenous Legal Traditions Reconciliation without Respect? Section 35 and Indigenous Legal Orders Legal Processes, Pluralism in Canadian Jurisprudence, and the Governance of Carrier Medicine Knowledge Territoriality, Personality, and the Promotion of Aboriginal Legal Traditions in Canada |
| Sommario/riassunto | "The essays in this book present important perspectives on the role of indigenous legal traditions in reclaiming and preserving the autonomy of Aboriginal communities and in reconciling the relationship between these communities and Canadian governments. Common threads linking the essays include the relationship between indigenous and |

Canadian legal orders, the importance of indigenous legal traditions for Aboriginal communities' autonomy, and the ways in which these traditions might be recognized and given space in the Canadian legal landscape." "In its examination of different aspects of and models for the recognition of indigenous legal orders, this book addresses important issues relating to legal pluralism. It will be of interest to a wide audience including lawyers and legal academics, teachers, students, policy makers, and members of Aboriginal communities."--
