Nota di contenuto	Introduction: Il caso Silone -- Silone and the Fascists -- Silone and the Symptom: 'Viaggio a Parigi' -- Torn Loyalties: Fontamara -- Consummatum est: Pane e vino -- Past Imperfect: Critical (Self-) Revisions.
Sommario/riassunto	"In 1996, Ignazio Silone, one of the most beloved folk heroes of the Italian Left, a novelist and high-ranking Communist Party member, was unmasked as a secret supporter of the Fascist movement. The discovery sparked a highly emotional response among scholars and the press in Italy and beyond, with reactions ranging from intense debate to disbelief." "Clearly written and carefully argued, this work will appeal to a wide readership, including those interested in the history of the Left and in literary criticism, as well as scholars of Italian history, literature, and politics."--Jacket.
