Nota di contenuto	; 1. Strategies of 'talking back' -- ; 2. Minor literature, 'minor Italy' -- ; 3. Cinema and migration : 'what' and 'who' is a migrant -- ; 4. The laws of migration.
Sommario/riassunto	"In terms of migration, Italy is often thought of as a source country - a

place from which people came rather than one to which people go. However, in the past few decades, Italy has become a destination for many people from poor or war-torn countries seeking a better life in a stable environment. Graziella Parati's *Migration Italy* examines immigration to Italy in the past twenty years and the cultural hybridization that has occurred as a result."--Jacket.
