Nota di bibliografia Includes bibliographical references. Nota di contenuto pt. I. Recycling the book and the screen -- pt. II. Recycling identity, consumption and history. Culture survives today by means of a constant recycling, optimistically Sommario/riassunto trying to overcome its own decadence in the 21st century. Recycling Culture(s) addresses from a variety of perspectives this strategy, analyzing not only a wide range of texts but also of cultural practices. As the volume shows, culture thrives on a permanent state of flux, borrowing materials for its own survival wherever they are found and always favouring hybridity. This refers not only to how texts cross
