Sommario/riassunto	This insightful work maps out both the possibilities and the dangers that lie ahead for the nations of Central Asia and the Caucasus. The book analyzes the current security situation and clarifies its historical context, identifying the factors that have shaped the security of these young nations since their independence. It also examines the parametersopolitical, economic, ethnic, energy, and militaryothat will decide the security of the region in the future. The bookis author, a senior independent consultant to the United Nations, tells the whole story behind the headlines when he discusses
