Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Nota di contenuto	Front cover; Contents; Preface; Acknowledgments; Foreword; Chapter 1. Getting Started; Chapter 2. Introduction and Overview; Chapter 3. The First Pillar: Sort; Chapter 4. The Second Pillar: Set in Order; Chapter 5. The Third Pillar: Shine; Chapter 6. The Fourth Pillar: Standardize; Chapter 7. The Fifth Pillar: Sustain; Chapter 8. Reflections and Conclusions; Index; Author; Back cover
Sommario/riassunto	While there are a growing number of books based on the Toyota Production System, or lean, focused on healthcare, there are very few that detail the tools that make lean more than just a way of thinking and put the methodology into practice. Based on Hiroyuki Hirano's classic 5 Pillars of the Visual Workplace and modeled after the Shingo Prize-winning Shopfloor Series for Lean Manufacturers, 5S for Healthcare adopts a proven reader-friendly format to impart all the information needed to understand and implement this essential lean methodology.
