Sommario/riassunto	In The Pius War, Joseph Bottum has joined with rabbi David G. Dalin to gather a representative and powerful sample of these reviews, deliberately chosen from a wide range of publications. Together with a team of professors, historians, and other experts, the reviewers conclusively investigate the claims attacking Pius XII. The Pius War, and the detailed annotated bibliography that follows, will prove to be a definitive tool for scholars and students_ destined to become a major

resource for anyone interested in questions of Catholicism, the
Holocaust, and World War II.
