Nota di contenuto	Contents; Figures and Tables; Preface; Chapter 01; Chapter 02; Chapter 03; Chapter 04; Chapter 05; Chapter 06; Bibliography; Index; About the Author
Sommario/riassunto	This book examines the powerful effect of the inner political structures (political parties and electoral systems) and processes (electoral cycles) of democratic states upon leaders' foreign policy decisions by appealing to the belief that leaders wish to remain in power. The use of both a game theoretic model and statistical assessment provide a rigorous and logical framework to examine how differences among democratic states affect their behavior.
