[et al.] -- The candle of hope / Raymond W.Y. Kao.
Sommario/riassunto	This book explains how corporate social responsibility is linked to long-term sustainability of an economy and that the activities of an

organization should not be only for its self-interest, but must also be honed for the benefit of common good. A major approach the book advocates is corporate decision-makers in an organization should work towards earning the trust of stakeholders rather than focus on short-term profitability. It also emphasizes the importance of recognizing and rewarding the contribution and commitment by participants of an organization. Written by academics and consultants,
