Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 279-286) and index.
Nota di contenuto	Challenges facing the U.S. labor movement -- Dukin' it out : building the labor movement -- The new deal -- The cold war on labor -- The civil rights movements, the left, and labor -- The revolution will not be televised -- Whose welfare matters, anyway? -- What's left for us? -- Organizing to organize the unorganized -- Sweeney's grand gesture -- The new voice coalition takes office -- Developing strategy in times of change -- Globalization : the biggest strategic challenge -- Could'a, would'a, should'a : central labor councils and missed opportunities -- International affairs, globalization, and 9/11 -- When silence isn't golden -- Restlessness in the ranks -- Change to win : a return to gompers? -- Anger, compromise, and the paralysis of the Sweeney coalition -- Left behind -- The way forward : social justice unionism -- The need for social justice unionism -- The need for a global outlook -- Realizing social justice unionism : strategies for transformation.
Sommario/riassunto	The U.S. trade union movement finds itself today on a global battlefield filled with landmines and littered with the bodies of various social movements and struggles. Candid, incisive, and accessible, Solidarity Divided is a critical examination of labor's current crisis and a plan for a bold new way forward into the twenty-first century. Bill Fletcher and Fernando Gapasin, two longtime union insiders whose experiences as

activists of color grant them a unique vantage on the problems now facing U.S. labor, offer a remarkable mix of vivid history and probing analysis. They chart changes in U.S. manufacturing, examine the onslaught of globalization, consider the influence of the environment on labor, and provide the first broad analysis of the fallout from the 2000 and 2004 elections on the U.S. labor movement. Ultimately calling for a wide-ranging reexamination of the ideological and structural underpinnings of today's labor movement, this is essential reading for understanding how the battle for social justice can be fought and won.
