Sommario/riassunto	Poetry. WE SLEPT HERE is a case study in vulnerability and honesty. In this sequence of memoir-esque poems, Sierra DeMulder pulls at the threads of a past abusive relationship and the long road to forgiveness. The poems themselves become an act of recovery and reclamation, wherein the poet finds again the voice which was taken from her. These are hard poems, made up of clarity and healing, which attempt to share some of their peace with the world.

Sommario/riassunto	Once a colossus dominating the globe, Europe today is a doddering convalescent. Sluggish economic growth, high unemployment, an addiction to expensive social welfare entitlements, a dwindling birth- rate among native Europeans, and most important, an increasing Islamic immigrant population chronically underemployed yet demographically prolific--all point to a future in which Europe will be transformed beyond recognition, a shrinking museum culture riddled with ever-expanding Islamist enclaves. Decline and Fall tells the story of this decline by focusing on the larger cultural dysfunctions
