#### Sommario/riassunto

The preparation of social studies teachers is crucial not only to the project of good education, but, even more broadly, to the cultivation of a healthy democracy and the growth of a nation's citizens. This one-of-a-kind resource features ideas from over 100 of the field's most thoughtful teacher educators reflecting on their best practices and offering specific strategies through which future teachers can learn to teach, thus illuminating the careful planning and deep thinking that go into the preparation of the social studies teachers. While concentrating on daily teaching realities such
