Sommario/riassunto	This unique work lifts the African question out of the dust. Against the backdrop of prison life, it explores the complex reality of being an African in today's world. Through the tight sensitivity and illuminating knowledge of its two principal characters, themselves victims of misplaced justice, greed and lust, it captures the pain and sadness that almost always comes in the wake of betrayal and egotism. The work's message is strong, and is delivered with equal strength by characters whose individual convictions also sway us to their side. We have here a new, powerful shaft of light on the I

Sommario/riassunto	A figure of crucial importance to scholarship on western and eastern Europe alike, King Coloman (1208-1241) here receives long-overdue scholarly treatment as a key figure of the thirteenth century. The Arpad prince ruled over a vast area in Central Europe which remained largely

affiliated to the Western Church, territories that comprise modern-day Hungary, Slovakia, Croatia, and Bosnia. This study draws on Hungarian and other research that is inaccessible outside the region and places Coloman at the crossroads of Latin Christendom, Eastern Orthodoxy, and the Mongol Empire.
