Sommario/riassunto	In his topical new book, Ethical Borders, Bill Ong Hing asks, why do undocumented immigrants from Mexico continue to enter the United States and, what would discourage this surreptitious traffic? An expert on immigration law and policy, Hing examines the relationship between NAFTA, globalization, and undocumented migration, and he considers the policy options for controlling immigration. He develops an ethical rationale for opening up the U.S./Mexican border, as well as improving conditions in Mexico so that its citizens would have little incentive to migrate. In
