Sommario/riassunto	School teams play an essential role in the successful implementation of response to intervention (RTI). This user-friendly book offers a roadmap for creating effective RTI teams and overcoming common pitfalls. The authors discuss the nuts and bolts of planning and facilitating meetings during which data-based decisions are made about screening, interventions, and progress monitoring for individual students (K-6) or the whole school. Ways to develop sustainable team practices and strengthen collaboration are described. In a large-size format with lay-flat binding for easy photocopying, the book
