Sommario/riassunto	Once thought to be a difficult task, career in mass communication has witnessed tremendous changes, lately, introduction of a media is a new stream for the industry. It has opened new avenues. It has opened a number of windows in the sphere of profession. Advantages apart, the favouring factors, i.e., hard work, sharp intelligence, analysing attitude, honestly, courage to face the hostile winds and in-depth knowledge of than which is bygone; of that which is going on and necessary insight to look into what is going to happen, etc. can not be underestimated.
