Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 317-339) and index.
Nota di contenuto	Introduction : the politics of anti-Americanisms / Robert O. Keohane and Peter J. Katzenstein -- Varieties of anti-Americanism : a framework for analysis / Peter J. Katzenstein and Robert O. Keohane -- Imagining America : the promise and peril of boundlessness / David M. Kennedy -- Anti-Americanism in Europe during the Cold War / Pierangelo Isernia -- Disaggregating anti-Americanism : an analysis of individual attitudes toward the United States / Giacomo Chiozza -- The distinctiveness of French anti-Americanism / Sophie Meunier -- Chinese attitudes toward the United States and Americans / Alastair Iain Johnston and Daniela Stockmann -- Anti-Americanisms in the Arab world / Marc Lynch -- Anti-Americanism as schemas and diacritics in France and Indonesia / John R. Bowen -- Legacies of anti-Americanism : a sociological perspective / Doug McAdam -- The political consequences of anti-Americanism / Robert O. Keohane and Peter J. Katzenstein -- Conclusion : anti-Americanisms and the polyvalence of America / Peter J. Katzenstein and Robert O. Keohane.
Sommario/riassunto	Anti-Americanism has been the subject of much commentary but little serious research. In response, Peter J. Katzenstein and Robert O. Keohane have assembled a distinguished group of experts, including

historians, polling-data analysts, political scientists, anthropologists, and sociologists, to explore anti-Americanism in depth, using both qualitative and quantitative methods. The result is a book that probes deeply a central aspect of world politics that is frequently noted yet rarely understood. Katzenstein and Keohane identify several quite different anti-Americanisms—liberal, social, sovereign-nationalist, and radical. Some forms of anti-Americanism respond merely to what the United States does, and could change when U.S. policies change. Other forms are reactions to what the United States is, and involve greater bias and distrust. The complexity of anti-Americanism, they argue, reflects the cultural and political complexities of American society. The analysis in this book leads to a surprising discovery: there are as many ways to be anti-American as there are ways to be American.
