| Sommario/riassunto | This collection of twenty-nine research papers is dedicated to the eminent Balticist, Slavicist and Indo-Europeanist, William R. Schmalstieg in commemoration of his seventy-fifth birthday. It contains contributions by specialists of mainly Baltic and Indo-European linguistics which are reflective of Schmalstieg's own scholarly interests over the decades of his career, including technical aspects of Baltic and Indo-European phonology, morphology and syntax, etymology, language universals, the history of linguistics and the Baltic text tradition. |
