Sommario/riassunto	This book rethinks security theory from a feminist perspective - uniquely, it engages feminism, security, and strategic studies to provide a distinct feminist approach to security studies. The volume explicitly works toward an opening up of security studies that would allow for feminist (and other) narratives to be recognized and taken seriously as security narratives. To make this possible, it presents a feminist reading of security studies that aims to invigorate the debate and radicalize critical security studies. Since feminism is a political project, and security studies a
