Sommario/riassunto	Thanks to the exploding popularity of food-based television shows (entire networks, even), websites, books, and magazines, food stylists and food photographers are in more demand today than ever before. While there are many amazing opportunities for creative professionals to showcase their work in ads, cookbooks, blogs, and food packaging, there is also more competition for these jobs. Whether you are a food stylist who works alongside photographers or a food photographer yourself, you'll find everything you need to know to give your portfolio that little extra push in this expert guide by
