Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from publisher's bibliographic system (viewed on 02 Oct 2015).
Nota di bibliografia	Includes bibliographic references and index.
Nota di contenuto	Atheisms Today -- The God of Metaphysics -- The God of the Poets -- Difficult Atheism -- Beyond A/theism? Quentin Meillassoux -- The Politics of the Post-Theological I: Justifying the Political -- The Politics of the Post-Theological II: Justice -- General Conclusion: How to Follow an 'Atheism' That Never Was.
Sommario/riassunto	Difficult Atheism shows how contemporary French philosophy is rethinking the legacy of the death of God in ways that take the debate beyond the narrow confines of atheism into the much broader domain of post-theological thinking. Christopher Watkin argues that Alain Badiou Jean-Luc Nancy and Quentin Meillassoux each elaborate a distinctive approach to the post-theological but that each approach still struggles to do justice to the death of God.
