Sommario/riassunto	What issues arise when students' uses of intellectual materials are legally challenged, and how does the academic context affect them? What happens when users of intellectual property, either within or outside the academic structure, violate students' rights to their intellectual products? In Intellectual Property on Campus, TyAnna K. Herrington addresses these concerns and more, clearing up the confusion often surrounding intellectual property law and its application in an academic setting. Filled with practical information and simple yet thorough explanations, this enlightening volume prov
