Sommario/riassunto	It is often assumed that Iran must necessarily submit to the forces of globalization and liberalize its economy, but the country's ruling elites have continued throughout the post-revolutionary era to resist these pressures for neo-liberal economic reform, seeking to survive in the battlefield of today's globalizing economy whilst remaining loyal to their own rules of engagement. This book analyzes the dynamics of

economic reform in the Islamic Republic of Iran as they have played out in this post-revolutionary struggle for economic independence from 1979 up to the present day. It shows how
