| Sommario/riassunto      | The year 2021 saw the publication of the Special Issue "Diseases of the Salivary Glands" ( <a href="https://www.mdpi.com/journal/jcm/special_issues/Salivary_Glands">https://www.mdpi.com/journal/jcm/special_issues/Salivary_Glands</a> ), Part I, covering recent and novel advancements as well as future trends in the field of research evaluating diagnostic and therapeutic treatment of salivary |

gland (SGs) diseases. Given the enormous success of Part I, the Special Issue "Diseases of the Salivary Glands" Part II has been launched, with the firm belief that it will enrich the panorama of world research in this field. Topics include: 1 Clinical features and presentation of potentially malignant SG disorders; 2 Risk factors and etiopathogenesis of SGs tumors; 3 Etiopathogenesis and molecular mechanisms involved in the chronic inflammatory condition characterizing Sjgren's syndrome; 4 New discoveries in the field of micro RNAs associated with Sjgren's syndrome; 5 Molecular markers linked to development and progression of SG diseases: current knowledge and future implications; 6 More innovative techniques for the study of the SG diseases: current limitations and future directions.

Sommario/riassunto	"This new edition of The Dictionary of Fashion History further updates the landmark work of C. Willett Cunnington, Phillis Cunnington and Charles Beard. Featuring over 60 new and revised entries on diverse topics such as the Onesie, Brothel Creepers and the Birkin Bag, this edition is even more comprehensive and brings this costume historian's bible fully up to date. With many more images to accompany the text and illustrate key fashions / including cartoons, prints and lavish color photographs of surviving garments / this version of the dictionary brings dazzling and unusual garments to life for researchers, students, costume designers and everyone interested in the subject. Clear, concise, and meticulous in detail, this essential reference work answers countless questions relating to the history of dress and adornment and will continue to be the definitive guide for many years to come."-- Publisher's description.
