Sommario/riassunto	Edited by Daniel McQueen, Catherine Itzin, Roger Kennedy, Valerie Sinason and Fay Maxted. A coherent and readable narrative review of the current state of knowledge of the effects and role of psychoanalytic psychotherapy in the treatment of children and adults who have experienced childhood abuse and neglect. This book is intended for practitioners of psychiatric, psychological, and psychoanalytic therapies and providers of mental health services to children and adults. It should inform Primary Care Trusts, Children's Services commissioners, and health service providers about theoretical appro
