cosmopolitan justice in everyday life; Index

Sommario/riassunto

Cosmopolitan Justice and its Discontents pursues a reflection upon the institutional orders designed to ensure respect for the rule of law, human rights, and social justice. The majority of literature on cosmopolitanism tends to be oriented in sociology, political science or philosophy, and is largely positive. This book aims to fill the lacuna with respect to critical and legal perspectives in this field. In particular, it highlights the importance of international economic law and its institutions when evaluating the evolution of cosmopolitan norms. In addition, it provides criti
