Sommario/riassunto	The feelings and thoughts connected with loss, grief, dying and death have always concerned people. The author Bob is a specialist in crisis intervention. He has developed his experience in counselling and a workshop facilitator over a number of years. This updated self-directed study workbook will appeal to everyone with a health and social care interest. It can be used as a stand-alone module or at your workplace as part of an assessment programme, or as part of a more formal training programme at a college or other institution. You can read it in parts, if this is more convenient for you, o
