What do the studies tell us about inter-agency working in day-to-day practice on the ground?; Improving co-operation through inter-agency training; How do existing structures support both inter-agency and inter-disciplinary working?; Conclusion; 7; Overview; Principal Messages and their Implications; Introduction; Why is it important to identify neglect and emotional abuse early and take action?; What can be done to prevent abuse and its recurrence?; How can we ensure that inter-agency working works well?; Conclusion
Appendix 1

Sommario/riassunto

Based on the latest research, this book provides today's practitioners and policymakers with an accessible summary of what we currently know about child protection. It explains the forms of abuse, how common they are and their impact before going on to evaluate effective interventions to combat maltreatment.
