Sommario/riassunto	Up to 1 in 5 people in the UK suffer from diagnosable depression (bbc.co.uk) - that's approximately 12 million people. Depression takes multiple forms, including seasonal affective disorder, bipolar disorder, and postnatal depression. Research by the BBC claims that up to 75% of sufferers are not receiving any form of professional medication or therapy, which strongly suggests that self-help is often a preferred course of action. Overcoming Depression For Dummies outlines practical methods for recognising and managing the symptoms of depression for those readers who might be too scare
