Sommario/riassunto	Lies To Live By brings together two selections of stories by Ojibwe storyteller Lois Beardslee. "Lies to Live By," a series of interdependent tales, reflects the storyteller's role in interpreting traditional stories for contemporary audiences, while preserving traditions based not in mysticism but in pragmatism. In "Calm Days," three generations-the narrator, her grandfather, and her son-spend a week together on a remote island during the course of which they demonstrate the continuity of Ojibwe life. Together these stories weave the

contemporary and the traditional to show how cultural dive
