Sommario/riassunto

""What a marvelous and amazing textbook. Drs. Marini, Glover-Graf and Millington have done a remarkable job in the design of this highly unique book, that comprehensively and very thoughtfully addresses the psychosocial aspects of the disability experience. These highly respected scholars have produced a major work that will be a central text in rehabilitation education for years to come."" --from the foreword by Michael J. Leahy , Ph.D., LPC, CRC. Office of Rehabilitation and Disability Studies. Michigan State University. What are the differences between individuals with disabilities who flo
