Descrizione fisica	1 online resource (63 p.)
Disciplina	372.83044
Soggetti	Physical sciences - Social aspects Social sciences
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Contents; Acknowledgment; Introduction; Chapter One. Exogamous and Endogamous Marriages among Italians and Mexicans in Dallas County, Texas (2000); Chapter Two. The Mirror Image: A Correlation between the Physical and Social Sciences; Chapter Three. A Probability Experiment Involving Major American Military Conflicts (1775-2010); Chapter Four. Radioactive Decay and the Rate of Decline of Empires: A Connection between the Physical and Social Sciences; Conclusion; Appendix; Index; About the Author
Sommario/riassunto	This monograph presents four case studies that make correlations between the physical and social sciences. Traditional, empirical, and postmodernist approaches to the study of social sciences have left many scholars dissatisfied with the results. It is important to anchor statistical data to mathematical formulae or the laws of physics.
