Friedman -- Trial and error in written Romani on the pages of Romani periodicals / Milena Hubschmannova.
Sommario/riassunto	A language of Indic origin heavily influenced by European idioms for many centuries now, Romani provides an interesting experimental field for students of language contact, linguistic minorities, standardization, and typology. Approaching the language via its ever-surfacing character as a language in contact, the volume gives expression to part of the wide range of research represented in today's field of Romani linguistics. Contributions focus on problems in typological change and

structural borrowing, lexical borrowing and lexcial reconstruction, the
Iranian influence on the language, interdi
